

Lawrence Hospital Area Analysis Table

(Reference color coded plans attached)

Color Code	Service Provided	Existing Space	Proposed Space	General Comments
	Outpatient Physical Therapy	4,859 SF	0	This Service has been relocated to an off-site location to allow space for the surgery remodel project
	Surgery Dept. - (6) Operating Rooms and support space	6,792 SF	9,755 SF	Larger space required to accommodate larger modern OR's with new equipment and larger support space meeting AIA guidelines
	Surgery Dept. - Pre-Op & surgery support	4,361 SF	4,484 SF	Larger more efficient space adjacent to Operating Rooms. Existing space will remain patient beds, eventually private patient rooms.
	Surgery Dept. - Recovery & support space	3,363 SF	5,077 SF	Larger more efficient space provided. This will take over the space vacated by Outpatient Physical Therapy
	Surgery Dept - (1) Cysto & support staff area	793 SF	3,268 SF	Cysto will be relocated to one of the abandoned Operating Rooms with appropriate support space near this room.
	Surgery Dept - (2) Endo/G.I. rooms with support space	1,696 SF	3,639 SF	Updated Endo rooms with appropriate support space adjacent to other surgery department functions. Fourth floor space returns to Patient beds.
	Cancer Center - Medical Oncology	2,345 SF	8, 523 SF	Current space is approximate and reflects about 5 patient bedrooms that are used randomly to perform consultation, exams, infusion and support. Chemo is prepared in the Hospital Pharmacy and support, patient waiting, and resource material for patients are scattered throughout the campus sharing space with other functions. New plan is to consolidate all of the scattered elements into one location in the new addition. All formerly used spaces will continue to be used for their primary Hospital function.
	Cancer Center - Radiation Oncology	0	8, 184 SF	This is a new service for the hospital. This service will be contained in the basement of the new addition, and is expected to generate approximately 22 new patients visits a day, and add seven new employees.
